CAPABILITY STATEMENT

GSL GLOBAL

US & UK presence

GSL GLOBAL LLC · GSL Global Ltd

GLOBAL PROCUREMENT & CONTRACT DELIVERY

One accountable procurement partner.

GSL supports government, public-sector and commercial requirements through global procurement and contract delivery, with US & UK presence.

We provide US domestic product supply and specialist service-contract delivery through qualified subcontractors, alongside UK/European and international sourcing.

HOW WE WORK

Defined requirements. Assessed suppliers. Coordinated delivery.

We assess technical, supplier, commercial and delivery fit, including solicitation-specific requirements, and coordinate procurement and fulfilment.

CORE CAPABILITIES

01	**Global procurement**	UK/European and international sourcing and commercial coordination.
02	**US product supply**	Domestic equipment, materials and contract-specific goods.
03	**Specialist service contracts**	Contract delivery through qualified specialist subcontractors.
04	**Supplier assessment**	Technical capability, supplier documentation and commercial fit.
05	**Contract management**	Solicitation-specific review and contract delivery coordination.
06	**Logistics & delivery**	Domestic and international procurement and fulfilment coordination.
